Volunteer Policies:

I understand that volunteerism at Community Food Bank may sometimes mean working in warehouse conditions and can sometimes include but is not limited to lifting, working around heavy moving equipment and handling damaged food products. I hereby accept and assume full responsibility for any injury I might suffer while volunteering at Community Food Bank. In the event of an injury, parents/guardian authorizes Community Food Bank staff to seek treatment for minor volunteers and to take other action should a medical emergency arise. I waive and release my right for damages.

Youth Policy: Volunteers 15 and under must be accompanied by an adult 21 years or older, in a 1:5 ratio of adult to youth. Volunteers 16 and above may come without an adult. Volunteers as young as 10 years of age may assist during the week; we ask that they not miss school unless they are doing a service learning project with a school note. Volunteers as young as 7 may volunteer on Saturdays.

For safety reasons, we require that all volunteers wear close-toed shoes when they come to volunteer.

Food and other products at Community Food Bank are strictly for distribution to non-profit agencies serving the hungry. Volunteers are not allowed to take any food product from Community Food Bank. Secondly, Community Food Bank is a drug and alcohol-free workplace. Any volunteer who takes food, distributes, possesses or arrives under the influence of any drug or alcohol will be terminated immediately.
