**Thursday, September 9, 2010**  
*5:30 p.m. – 8 p.m.*  
**International Catering**  
*4277 North West Avenue*

Empty Bowls attracts business-minded and philanthropic individuals throughout the Fresno area, and is a fun-filled evening of networking, friends and food. Participants enjoy special pastas created by Institute of Technology culinary arts students, bid on an assortment of items at the silent auction and take home handcrafted ceramic bowls at the end of the evening.

Community Food Bank is requesting your support for the silent auction, by contributing any in-kind gift; such as gift certificates, gift baskets, services or other specialty items from your company. These donations will be used to raise funds for Community Food Bank in our effort to 'create a hunger free Central Valley'. Your donation is tax deductible to the fullest extent of the law. Community Food Bank Tax ID # is 77-0320851.

With your help, Empty Bowls will raise money to feed hungry individuals and families in our community. Our success is your success, in supporting this event, and your generosity will be shared through Community Food Bank's outreach in the Central Valley.

Thank you in advance for your participation and support in advocating for those who are hungry and need assistance. For further information, please contact Vivian St. Louis at (559) 237-3663 ext.120.
